The priests brought the ark of the covenant into the temple. They put the ark of the covenant in its place in the inner part of the temple. That was the Most Holy Place. The ark had the two stone tablets that Moses had put in it. Moses had gotten the tablets when the LORD made a covenant with His people after they left Egypt. When the cloud left the Holy Place, the glory filled the temple. The priests could not go in and do their work because the glory of the LORD filled His temple. King Solomon prayed. He praised God and dedicated the temple to the LORD. Then the king and all of God's people burned sacrifices to the LORD.
